

Preliminary Announcement & 1st Information Brochure

41st ODISHA STATE PEDICON 2020

19th & 20th December 2020
Ustav Convention Centre, Keonjhar

Host: IAP Keonjhar District Branch

INVITATION

Dear Fellow Pediatricians,

It's a matter of great honour and pleasure to invite and welcome you all to attend the 41st Annual Conference of Indian Academy of Pediatrics Odisha State Branch, to be held at Ustav Convention Centre, Keonjhar during 19th and 20th December 2020.

We Pediatricians are the proud custodians of the most important resource for the future, that's the health and well being of the children at present.

There have been tremendous developments in the field of Pediatrics in India during last 2 decades. However these benefits are yet to reach the rural children. Children in rural area constitute the major bulk of Odia children. This year's unprecedented pandemic of Covid-19 reminds us that our learning can never be complete. We all must continue to learn as the disease and health dynamics change over the time.

This conference will be a place where, you will have the opportunity to share your experience and discuss on various relevant topics with the delegates and faculties coming from Odisha and outside Odisha, not only during the scientific sessions but also informally during the social gathering such as lunchtime.

Keonjhar is packed with natural scenery. Places like Sanghagra, Gonasika and Khandadhar are beautiful places which will mesmerize you and can refresh and rejuvenate you. Fortunately they are connected with splendid roads which will make your journey memorable too.

Last but not the least; Keonjhar is the abode of Maa Tarini and Sidha Jagannatha. When you visit Keonjhar you get their blessings too. So, please come and be blessed.

Long Live IAP

With Warm regards

Dr Mahesh Prasad Mohanta
